## 2020 Levels of Excellence

MOAA is pleased to announce the winners of the annual Council and Chapter Levels of Excellence Awards for performance in 2020.

Out of just over 400 MOAA affiliates, 162 councils and chapters nominated themselves for awards this year. Input from those who submitted a package for consideration was independently evaluated by two members of the Council and Chapter Affairs Committee of the MOAA Board of Directors. Questions had been adjusted to recognize a necessary shift away from in-person events due to the pandemic, and committee members' evaluations, along with objective performance data, was weighed according to a long-established grading scale.

All 162 councils and chapters didn't just maintain satisfactory performance, but persevered and excelled during the pandemic, earning five-star awards. These councils and chapters, their volunteer leaders, and their members found new and innovative ways to serve their communities and help veterans, excelled in

grassroots advocacy by nurturing relationships and educating elected officials (often virtually) and grew our shared membership even without in-person meetings.

Please join us in congratulating and thanking our awesome volunteers and affiliates for their great work on behalf of our association. Learn more about the awards [here](#). Congratulations to the winners!
