*MHA is grateful
for the care you
provide to our
community!*

Dear Friends,

The 90Works Day of Impact is very grateful for all the bags of personal care items, crackers, and rain ponchos that you donated. They are exactly what is needed and greatly appreciated. This day will serve not only our homeless veterans but also others experiencing homelessness and those in subsidized housing.

This day of free community services includes veterans' services, flu shots and other health-related services, legal services, employment opportunities, and a large array of personal care items for people experiencing homelessness or just needing some help. Mental health screenings will be available throughout the day as well.

Your contribution will assist the most vulnerable of our community. Thank you for your generosity.

Truly,

Virginia Glynn Barr
Executive Director

Please keep this letter documentation for your taxes. The Mental Health Association of Okaloosa/Walton is a 501C.3 Charitable Organization, Solicitation Registration #SC-01318. The IRS obliges us to declare that you have not received goods or services in exchange for your donation.
