

# From the President's Pen

By Scott Berry

Adios (again)!

I've recently completed a remedial course in how to read a calendar upon realizing that my "swan song" column in last month's issue was 30 days premature.

Scott Berry

So here I go again. I was getting a little nostalgic so I dug up my first column as chapter president back in 2015. I wrote about my "M.A.P." for the future. **The M was for MEMBERSHIP.** At the time, membership was in a downward spiral and had been for some time. I wanted to change that but faced many obstacles. One of these, as Gen Manor mentioned in a subsequent discussion with me, is that younger people (I'll be arbitrary and say below 45 years old) are not the "joiners" as most of the chapter membership are 65+. Mandatory Officer Club membership doesn't have the hammer it used to. I could also mention participation in Combined Federal Campaign but I digress.....

**The A was for ADVOCACY.** That is fundamental to Mother MOAA's mission and I wanted to encourage more involvement and inertia from us at the grassroots level. Attending monthly meetings, loudly stating "harrumph, harrumph" with fellow meeting attendees about the sorry decline in many of our common values, then returning home without taking any action is in no way an ingredient of advocacy.

## PUBLIC RECORD

New Members:

Ed Drury, Major, USAF (Ret)  
Michael La Garde, Lt Col, USA (Ret)

In Memorium

Marian Van Damme, Surviving Spouse, 11/26/2018.  
Betty J. Danford, Surviving Spouse, 11/20/2018.  
Anne Singleton, Wife of Paul Singleton, LtCol, USAF, 12/5/2018.

Finally, **the P was for PARTICIPATION.** Fifteen attendees at a monthly meeting at Westwood were considered successful and the chapter had thrown money on the bar to attract members to Officer Calls with similar (dismal) results.

So fast-forward to the present and I look at how far we've come and what kind of organization I'm handing over to my successor. Well, I think we've done a pretty darn good job. The downward trend in membership has turned into a positive one and we're on a gradual but also steady growth. Participation has skyrocketed averaging 60+ at meetings and SRO at Officer Calls. Advocacy is harder to evaluate but Dave Parisot has led the charge in educating the public about who we are and what we stand for through booths at military appreciation day events and a float (I use that term very loosely) for the Billy Bowlegs Torchlight Parade. The Scholarship Fund is booming and JROTC cadets are seeing the benefit of that. Some chapter members are in the news for their support of political candidates and incumbents who share our values. Also, an increasing number of members have queried me about how to contact our representatives. So I rate that as positive although without the quantitative metrics of the other two areas.

Now please clearly understand that I am in NO way taking personal credit for all of this. No person in a leadership position ever accomplished the mission by themselves. It's the product of many people working together and bringing to bear their own talents, time, and devotion. And there are many of you out there which I thanked in last month's column and do again here.

On a final note, the opening line in my continuity file (remember those?) to my successor was "The most important responsibilities of the president are leadership and providing a positive momentum to the chapter. All else below supports that in various ways." I'm confident that will happen.

## Two Chapter Members Inducted into Florida Veterans' Hall of Fame

On Tuesday, December 4, 2018, two of our NWFMOA Chapter members were honored in Tallahassee when they were inducted into the Florida Veterans' Hall of Fame. The Hall of Fame honors veterans who 'through their work and lives during or after military service, have made a significant contribution to the State of Florida'.

Among the 2018 inductees were **Brig Gen Patt Maney**, USAR, Ret., and **Major Charles (Chuck) Merkel, Jr.**, USA, Ret., PHd. (in History).

**Brig. Gen. Patt Maney** is a veteran of 37 years in the Army Reserves and is a recently retired Okaloosa County Judge who is credited with founding the Veterans' Court program for the State of Florida, as well as a pioneer in Mental Health Court. Severely wounded in Afghanistan by an IED, Brig Gen/Judge Maney applied his own experiences as a recovering wounded warrior to establish more fair treatment of physically and mentally wounded veterans in the courts system. He also established the Okaloosa County Homeless Veterans' Stand Down program, and was instrumental in establishing the VA's Vet Center in Okaloosa County. Brig Gen Maney was recently sworn in as northern Florida's new civilian aide to the Secretary of the Army in a Pentagon ceremony.

**Dr. Charles Merkel, Jr.** was recognized for his humanitarian work during his military service, both while active duty with the U.S. Army and as a DoD civilian at Eglin AFB, FL. Major Merkel was a UH-1N pilot while serving with the U.S Army for 20 years. As a DoD civilian, Merkel served as the historian for the 53d Wing at Eglin AFB. Much of his humanitarian endeavors involved working with programs involving children's education and orphanages in Vietnam, the Republic of Korea and Afghanistan. Some of his humanitarian awards include being honored by People to People International for his work with orphanages, Sunday Schools and the Korean people while assigned to Korea on active duty. As a civilian deployed to Afghanistan as part of the 451st Air Expeditionary Wing and the 386th Air Expeditionary Wing, Merkel was awarded the Exemplary Civilian Service Medal (twice); the Global War on Terrorism Expeditionary Medal (twice); and a special award from the North Atlantic Treaty Organization (NATO) for his work with school districts, church groups, and individuals.

Also inducted into the 2018 Hall of Fame class from our region was Lt. Gen. Gordon "Gordie" Fornell of Niceville, FL.

## 2019 Annual Dues Are Due

By Chaplain Tom Azar

Another New Year is dawning, and as we take time to reflect we have noticed friends moved or passed away. What gives a man or woman the inner strength to move ahead and to find peace and purpose as we enter the shifting sands in this final season of our life? Do we just float in the latest social currents accepting the haphazard, or do we strive to have a deeper set of core beliefs to guide us?

I have talked seriously with thousands of people and conclude that without faith in a living God, it is hard to live a meaningful and exciting life and bear the difficult challenges.

I have met many strong people in war and peace who faced great hardships but eventually the self-made fuel that supplies their strength soon ran out. The long haul requires outside help and an intrinsic faith, not only for this world but for our life beyond the grave.

The God of the Old and New Testament is an Omnipotent Being full of mercy and concern for each of us, and he's always available to commune with us. How so? Love dominates God's character. He instills love in each and every creature so we can in turn share it with others.

What makes humanity authentic--the reciprocal love between husband and wife, parents and children, brothers and sisters, and between friends. These horizontal love relationships are ultimately a reflection of our vertical relationship with our Creator.

Furthermore, we have experienced patriotic love because we served our country. Every day my wife and I hear the Eglin speakers playing revelry, retreat and taps. Together we have watched the flag raised and lowered. We see it fly everywhere and also drape the coffins of our beloved comrades. We salute because it encapsulates and symbolizes our premium values. Take away the flag and we would be lost. Take away God and our purpose, goal and values for life would be hollow branches. As King David wrote in Psalm 28, "He who trusts in himself is a fool, but he who walks in wisdom is kept safe." I pray we sincerely seek and share the wisdom of heaven in the New Year.

May 2019 bring you and your family good health, deep peace, beautiful love and complete joy.

If you have not paid your membership dues for 2018, please do so as soon as possible. If you do not know if your membership is expired, you may check your Defender. The expiration date is given in the address section on all Defenders.

## Officers Call

As we kick off the New Year of 2019, we will be having an Officers Call in February at Slick Micks on Eglin Parkway in Fort Walton Beach. Tentative date is 12 February 2019. It's a Tuesday and won't interfere with Valentine's Day. We will solidify the date at the January Luncheon.

## Opus One Thanks You!

Nick Marotta and I visited Opus One earlier this month. Thanks to the generosity of December meeting attendees, we gave them \$550. That may be a new record and will be a great benefit to all those who hear them. Thank you meeting attendees!

## Changing of the Guard (cont.)

Continued from the front page

Secretary of Defense Caspar Weinberger's staff and then to the Secretary of the Air Force as Americas Division Chief during the Contra Affair. It was there where I, as a jeep captain, first met Dick (he was a colonel even back then!) and we downed several Cuba Libres together in Venezuela. In his second "military" career, he worked in Saudi Arabia during Operation DESERT STORM with the Boeing F-15S program and eventually spent 12 years there. Dick is the chapter's "poster child" for recruitment. He's aggressively brought new members into the chapter and has been recognized by the Florida Council of Chapters for his efforts.

As the chapter's 2nd Vice President, Nick Marotta isn't a new board member but deserves recognition as the incoming president. He retired from the Air Force in 1991 as a major after a 20 year career in various aspects of engineering. His first ten years were focused on flight test engineering. During the last half, Nick was a test engineer in foreign technology, an engineer at the ground launch cruise missile base in Sicily, and an operation test program manager in tactical survivability. His last assignment landed him at Hq AF Logistics Command. After that, he spent 24 years in the solid waste industry and is now a free lance consultant. In his spare time, Nick and his wife, Cheryl, spoil their three grandchildren, travel extensively, and attend concerts.

So there you have it. I encourage you to attend and demonstrate your show of support for the incoming officers.

## December Lunch Resolution

By Scott Berry

Due to an inadequate amount of food, twelve of you attending the December lunch meeting didn't get fed but paid for it. As of this writing seven have contacted me. If you're one of the remaining five, please email or call me and we'll enter a credit for the next time you attend a lunch.

Some board members have met with the Yacht Club to identify this and other issues and get resolution.

I apologize for the whole situation. Contact me so we can try and make things right.

# Scholarship Fund

by Dave Parisot

Hope all of you had a merry and blessed Christmas holiday and my wishes to all for a happy and prosperous New Year in 2019. The officers and directors for the NWFMOA Scholarship Fund, Inc, for 2019 are: **Dave Parisot**, President; **George Colton**, Secretary-Treasurer; and Directors **Bob Allen**, **Fred Westfall**, **Carol Baker**, and **Scott Bates**. Of course, our raffle table would be very bare without donations of gift cards and merchandise from local businesses.
