Payment Options

1. If you want to donate a predetermined amount, select that amount.
2. If you want to donate an amount not shown, fill in the amount under the predetermined categories with the amount you wish to donate.

Your donations will go to one of the initiatives above or a new initiative as determined by the NWFMOA Board of Directors.

After you have made your selection, you will then see a screen which asks for your information and credit card number. You are given the option to donate in memory of someone if so desired.

When completed entering your information, click on **Donate**.

You will receive a confirmation in an email sent to the email address you provided.

Please note: The company making this transaction possible is called Zeffy. They return 100% of your donation to us. No fees to you or us. They do ask for a donation at checkout to support their work but that donation is optional and can range from \$0.00 to anything you would like. **Be sure to change their “extra donation” amount to what you wish to contribute, if anything.**
