**MARCUS CHAMBERS**  
Superintendent of Okaloosa  
School District

Please join us for our August 4th NWFMOA meeting. Our speaker is Marcus Chambers, Superintendent of the Okaloosa County School District. There is a lot happening in the District right now. For example, an election is coming up for the next school board, just recently the Florida Department of Education released its annual report and the Okaloosa School District received an overall grade of A, one of 14 school districts in the state to earn the highest rating, and as you have undoubtedly heard or read, there are many recent rulings from the State on what can and can't be taught and how it can be taught. Please come and bring your questions for what should be a very interesting and informative presentation.

Our **August 4th** lunch will start with a social gathering at 1130 with the meeting beginning at 1200 followed by lunch. **Please note: due to cost increases at the FWYC, we now must charge \$16.00 for the meal.**

To make reservations click <http://nwfmoa.org/reservations.html> or go to <http://nwfmoa.org> and click the **make reservations** link. You may also call me at 850-609-8075 or email me at [nwfreservations@gmail.com](mailto:nwfreservations@gmail.com).

Reservations are **REQUIRED** (no walk-ins please) and must be made by no later than **July 30, 2022.**

Secretary

# Going to a Digital Defender

Don Panzenhagen

This is the first month without a hard copy of our 5 Star Defender newsletter. After multiple months of deliberations and surveys, our Board made the decision to go to an exclusively digital version. This was driven by the cost of hardcopy printing—just over \$4,000/year. We are all abundantly aware that these are “exciting” economic times where the cost of living is spiraling upward, with a looming annual increase somewhere in the 6% to 13% range—depending on which talking head one sees. How much a boost in retired pay we can expect is certainly far less than that figure, probably ranging from 3 to 4 %. By going digital we anticipate a savings of about \$400 per month that can be used to both cover inflating prices and enhancing our outreach into both the Community and our Base populations, not only doing good stuff but also enhancing membership recruiting.

Importantly, the Board’s decision is to not do anything new with what we expect to be a newly freed up \$400/mo. dividend until we see what happens after a 6 month wait and see period.—remember the Peace Dividend that got spent but never arrived! We will certainly take suggestions during that time and be ready to implement them later. After 6 months we intend to come forward with proposals such as increased participation in community outreach, either by ourselves or teamed with other organizations to give our Chapter increased visibility in the local community. Increasing support efforts in the local military population, both active duty and retired, is something we are also exploring.

Not wanting to sound like we are just using feel good words, we are actively looking at efforts to become more visible in the community by making better use of our resources by actively seeking partnerships with organizations such as the Military Affairs Council. We believe we can benefit both in receiving outreach type funds from them on projects where we have the lead and in receiving increased publicity to support membership recruiting.

Areas we are exploring fall in into areas where we follow our motto, **still serving and leading**, as well as areas enhancing the professional image or our Chapter. Along that line we are looking at establishing a practice of always giving our speakers a thank you certificate as well as a Challenge Coin and rewarding our members in some manner. We will also be making deliberate efforts to get photographs and write ups in local publications. All of this will require some extra dollars, just how much and where it will be used is yet to be determined.

## The Constitution we support and defend

At our August meeting, I'll resume presenting an article each month from the Bill of Rights of the US Constitution. This is to remind us of the Creator-endowed, and therefore unalienable, rights that the Constitution recognizes for all Americans, and which we, as military officers, have sworn to support and defend. The fact that such rights are established in the supreme law of our nation makes the United States special among other countries.

Many governments assume that rights are something granted, by the people in power, to the "ordinary" folk "beneath" them. In America, rights are an inherent part of each of us. We never surrender our rights, but merely delegate some limited authority, as necessary, to representatives we elect, and to a government that belongs to "We the People," rather than the other way around.

The Eighth Amendment states:

**"Excessive bail shall not be required, nor excessive fines imposed, nor cruel and unusual punishments inflicted."**

The amendment protects Americans from some of the gruesome medieval punishments that existed before and during the nation's founding, such as burning people at the stake, drawing and quartering, branding and mutilation, and putting people into stocks for public display. The amendment also forbids the government from setting bail or fines so high as to bankrupt people for minor offenses, or to prevent people accused of crimes from getting out of jail to continue their lives and prepare their legal defense while awaiting trial. It strengthens the presumption of innocence, unless or until a defendant is proven guilty to a jury.

Since the amendment was adopted, it has been the subject of many interesting court cases, dealing with such questions as:

What makes fines or bail amounts "excessive," and who decides? Does bail, as currently practiced, grant wealthy people more rights than poor ones?

What makes a punishment "cruel and unusual?" What about capital punishment? Solitary confinement? Sentences of life without parole?

We have seen some of these issues addressed in recent news stories. What do you think about them?

### Prayer for the people of Ukraine

Almighty and Merciful God, we humbly ask as a nation for your continued protection and provisions for those innocent family members caught in an unnatural act of aggression these past 6 months. Be their Rock and Shield.

Please give Biblical wisdom to the leaders in governments on both sides of the front line, and guide their decision making toward true peace and reconciliation.

Send your angel armies to the surrounding nations in Europe to provide meaningful support and earnest prayers so as to answer the supplications of the wounded, imprisoned, widowed and grieving.

Convict the dark doers of evil acts of their wicked wrongdoing and move their scheming minds to repent and change their ways. Your Word tells us to pray for the enemy, and we will; convict them so as to change their ungodly behavior and atheistic ideology.

Give spiritual empowerment to the faithful and enduring believers and breathe on the lost and misguided who are still seeking You.

You proclaimed in Psalm 23 that you would be the shepherd to the faithful and that "Even though I walk through the valley of the shadow of death, I would fear no evil; for thou art with me." Amen

## Scholarship Fund

By Dave Parisot

Welcome to the first edition of the digital *Defender*. A couple of advantages to this is that I will be able to provide a little more information in my articles (not word-count limited) and the pictures will now be in color rather than black and white.

At the May luncheon, we announced two new scholarships at \$4,000 each to junior and/or senior year college student in ROTC who are graduates of one of twelve local high schools in Okaloosa and Walton counties, plus Navarre HS. At our July luncheon, we awarded the first scholarship of \$4,000 in the inaugural year of this new program. The scholarship honored the memory of the long and significant military service of one of our own, **Lt Gen LeRoy J. Manor, USAF, Ret.** The scholarship was named "**The Lt Gen LeRoy J. Manor, USAF, Ret., Memorial Scholarship**". It was awarded to **AFROTC Cadet Colonel Blayne Johnson**, a senior in AFROTC at the University of West Florida. Blayne is a 2019 graduate of Niceville HS and is the Wing Commander of the AFROTC Detachment at UWF and expects to be commissioned as a second lieutenant in the USAF in May 2023. The Manor family was represented at the scholarship presentation by **David** and **Susan** Miner, close family friends and a neighbor of Gen. Manor in Shalimar. Congratulations Cadet Blayne Johnson. Also at the July luncheon, I recognized our three most recent members to the Gold Century Club. Certificates of Membership were presented to Col. **Bob Secrest**, Lt. Col. **George Colton**, and surviving spouse Mrs. Joy Houck. I thank each of you for your continued support of the Scholarship Fund. Noteworthy is that **Bob Secrest** is one of the founding board members of the NWFMOA Scholarship Fund, Inc. back in 1982. Thank you, Bob, and your fellow board members for having an insightful idea that has stood the test of time and has grown into one of the largest local non-profit programs for awarding scholarships to JROTC and ROTC cadets. The 50/50 raffle was back at our July luncheon with **Fred Westfall** standing in for ticket sales. Total sales were \$126 with \$63 to the Fund and \$63 to the winner who was Chapter President **Mike Griffith** who graciously donated his winnings back to the Fund. Thank you, Mike.
